## 125th Anniversary Cantata Music Sunday—June 7, 2009

At the 10:30am service on **Music Sunday, June 7th**, the Chancel Choir will present its 125th Anniversary Cantata. The choir will be accompanied by trumpet, trombone, handbells, and organ.

Hymns from the "old favorites" category will be glued together by readings that highlight our church's 125-year history. Other than the Bible itself, what we could well have most in common with the people of our church over the years are the hymns. The congregants of 1884 probably sounded much like we do today in a rousing chorus of "A Mighty Fortress Is Our God".

As great pieces of music and tunes and texts were combined across centuries and across continents to create the hymns we know and love today, so did God's hand bring together people across lands and time to be the lifeblood of our church for 125 years, ministering to the world and to each other from this little corner of the universe known as Arroyo Grande.

### Hymns included:

- A Mighty Fortress Is Our God*
- O God, Our Help in Ages Past*
- O For a Thousand Tongues to Sing*
- Now Thank We All Our God*
- When We Are Living*
- Lord of the Dance*

The musical score is Hal Hopkins "Festival of Hymns."

~ You won't want to miss this special Sunday of worship though music!

## UMC of AG Honors Graduating Students Youth Sunday—June 14th

Hard to believe that June is here again and it's time for another **Youth Sunday**. We hope to see everyone there to congratulate and honor our hardworking students. **June 14** at both services the youth lead us in worship. With skits, song and worship on the agenda, planning is underway. We hope to honor God as we incorporate the 125<sup>th</sup> Anniversary Celebration into our special service.

As always, we will recognize our graduates from junior high, high school, and college.

**A special call to all graduating students:** Be sure that you or any other graduating student who will be exiting junior high, high school or college, give their name and the school's name that they are graduating from to the office or Mike and Linda Herber **by June 10th** so that they may be recognized at the service on this special Sunday.

Don't forget to save up your sweet tooth for the annual bake sale after both services.

All proceeds going towards Camp Colby.

~**Congratulations to you all!**

Pastor David M. Burgeson

Dear Church Family:

As I shared with you last Sunday (5/24), I felt so blessed by being able to attend a preaching conference in Atlanta. Yet it always is good to come home! Thank you for allowing me this time of listening to great preaching, teaching, and variety of styles of music at this wonderful conference.

I hope that you are planning to attend our one worship service at the Camp Arroyo Grande Tabernacle on Sunday May 31st at 10:45 AM. I appreciate all of the work that has been put in to this service. This will be a special time in our celebration. o f 125 years in Christ's ministry here in Arroyo Grande. Bring someone new to service.

Also, this Sunday (5/31) is called Pentecost Sunday—the day that God made his presence known to a group of believers in a spectacular way—violent wind, fire and his Holy spirit. It is also referred to as the Church's birthday. Three thousand people were gathered in Jerusalem when the Holy Spirit came upon them. We need to remember that God uses dramatic ways even still to work in our lives and our church.

Speaking of our church, I want to invite you to join me in praying to God for our church for 15 minutes each day for 30 days. Beginning June 1 and ending June 30th, we will seek together better understanding of what God's vision is with the Holy Spirit leading us in to a future filled with much hope and promise. You will have an opportunity to make your commitment to join me in prayer over the next two Sundays, during worship time.

Your Partner in Christ's Ministry,

## Fathers of faith

Fathers do amazing things for their families, but the greatest gift our dads can share with us is their faith in God. Complete this puzzle to read Isaiah's advice to fathers.

**Directions:** Working left to right, first write down all the 1's in the word blanks. Continue with the 2's and finally the 3's.

1 The	2 as	3 tell	1 living
2 I	3 their	1 the	2 am
3 children	1 living	2 doing	3 about
1 they	2 today	3 your	1 praise
2 fathers	3 faithfulness	1 you	

“ \_\_\_\_\_ , \_\_\_\_\_ , \_\_\_\_\_ , \_\_\_\_\_ ; \_\_\_\_\_ .”  
 \_\_\_\_\_ .” Isaiah 38:19, NIV

Answer: "The living, the living — they praise you, as I am doing today. AIN 38:19, NIV fathers tell their children about your faithfulness."

### SURPRISE DAD

..... at work!

Dads work so hard to provide for their families' needs. Here's a fun way to show your appreciation to your dad this Father's Day.\*

**What you need:**

- Paper and envelope (any color)
- Markers and crayons
- Stickers
- Pencil
- Stamp
- Your dad's work address

**What you do:**

1. Decorate the paper with drawings, stickers, etc.
2. Write a message to your dad, letting him know how thankful you are for his love and hard work.
3. With an adult's help, write your dad's name and work address on the outside of the envelope and your return address in the top-left corner.
4. Place a stamp in the top-right corner and then mail your special gift.

**Other ideas:**

- Pack a lunch to eat with dad at or near his workplace.
- Send your letter in a box and include some homemade cookies.
- Pack your dad a special lunch. Place self-stick notes with messages of appreciation on various food items.
- Write appreciation messages on self-stick notes and, with your mom's help, place them all over the inside of your dad's car.

\*All these ideas will work also for Mom on Mother's Day or her birthday.

Dear UMC of AG family,

I have greatly appreciated the numerous cards, calls and prayers with the passing of my mother. Her death was not a surprise but was sudden.

As some of you know she had been battling diabetes. We were surprised to find her more advanced than she had let on.

Your concern and caring for me and my family is overwhelming. I have read and re-read the cards several times. You can't know what a comfort they are during this difficult time.

Your sister in Christ, *Nancy Baughman*

**THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU!**

Dear Julie and (AGUMC) Choir Members,

Thank you for a wonderful UMC Cluster Choir Festival on May 3. Everything was beautifully organized from the moment we appeared until we said our goodbyes.

It was helpful to be greeted at the entrance by someone who knew exactly where our robe/warm-up room was. The refreshments were outstanding and the organization and run-through in the Sanctuary were just excellent. When we said we needed 3 chairs, and an extra stand for our instrumentalist and one singer who had more pain than usual when she stood, they were brought to us promptly.

We enjoyed Don's offertory, Prelude and Postlude and the AG Choir's performance of "Precious Lord" as well as their part in the "Anniversary March and Song." We also enjoyed the combined choir numbers. Julie's directions and conducting were clear and her "let's enjoy" approach was just right.

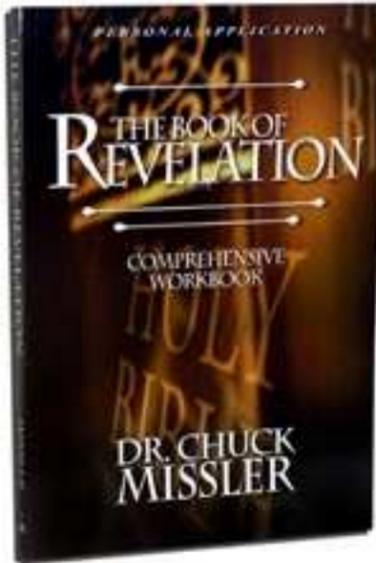

You all made it a most enjoyable experience, one of the best organized we've attended.

Thank you all who made it so.

Sincerely,  
Bob Mott, *Very Temporary Director*,  
and the Trinity UMC Choir.

## We Invite You to Take Advantage of Three Weekly Bible Studies in the Church

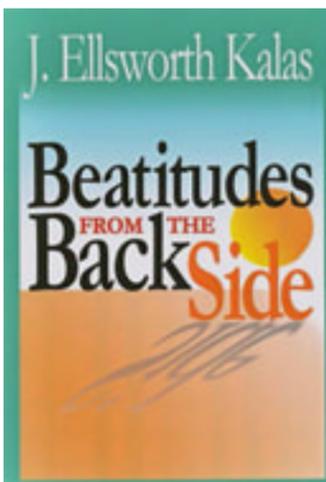

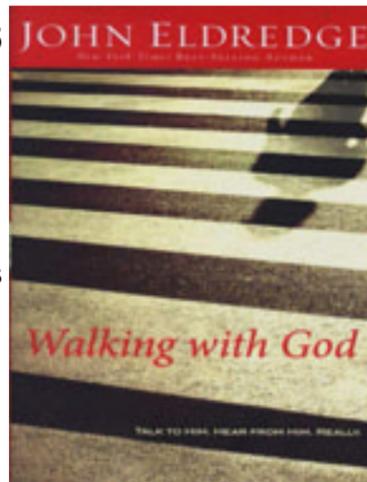

The Book of Revelation is the only book of the Bible with a Promise to the reader! Why? What makes this book so special? Revelation is a "lens" that puts the entire Bible into focus. The lens is focused on the person of Jesus Christ, and his destiny is imminent. This is a book of victory: We are overcomers! We are the ultimate winners in the game of life! (I read the ending: we win!) One of the reasons this book strikes us as strange is because of our lack of understanding concerning the Old Testament. The Book of Revelation consists of 404 verses that contain over 800 allusions to the Old Testament. These are detailed, along with Chuck's analysis of the design and structure of this fascinating book. Learn about the past, present and future of the Church and our ultimate destiny. This is an ideal "first study" and foundational for every Christian.

**Men's Bible Study on Mondays at 7 PM in room 215** is open to all men who have committed themselves to Christ and who seek spiritual leadership through Christ's word and His teachings. All are welcome!

**Join us for a Women's Bible Study every Sunday morning in room 215 at 9:45 AM.** It is open to all women who love the Lord and who are eager to walk daily in His will. We hope that you will join us as we start a new book by John Eldredge, "Walking with God."

"Walking with God" moves through a year in the life of author, John Eldredge. In this book Eldredge shows and teaches what conversational intimacy with God can be like; teaching the reader how to make decisions aligning with God's will, understand barriers and "agreements" keeping them from the life God intends, fight spiritual battles for their own heart and for others, and much more. Ultimately, "Walking with God" shows readers that walking intimately with Him can be a normal part of the Christian life.

**Friday Morning Bible Study is open to all men and women** with a desire to learn more about God's word through study and fellowship. Beginning at **8:30 AM** in our **church library** the group focuses on various books. The group will begin a new book entitled, "Beatitudes from the Back Side" by J. Ellsworth Kalas.

In this study, the author opens up new possibilities of insight into the Beatitudes of Jesus' blessings for the Sermon on the Mount. In his own words Kalas describes the study: "When we start examining the Beatitudes we realize that in Jesus' view, happiness (being blessed) is not something we get by pursuing it; indeed, almost the contrary. In that we choose to live by the Beatitudes, we put ourselves into bondage to such things as poverty of spirit, purity of heart and readiness for persecution....Welcome to the Beatitudes and may you be eternally happy beginning now."

### Trustees Report June 2009

From Tom Egan, *Trustee Chair*

- The Eagle Scout project has been completed. There is a new sign in front of the Children's Center with benches. It is well done.
- The yellow bus so graciously donated by the Weimers is now ours. The papers have been completed, tags and plates are on. Now it needs some diesel gas and we're set. Thanks Pat and Larry!!
- We purchased a sign for the front door to the office to display the hours of operation but it was the wrong design, so we'll try again!
- The two memorials are about to be dedicated. If anyone knows anything about the Martins, please contact me.
- Cal-Pac has a group of men and women that caravan in trailers to churches that have requested their services for repairs, paint, and various other projects. We have to provide a place to park their trailers, provide electricity and water. We can have a POTLUCK (my favorite word) so they can meet our congregation. This could be a year or two away but we are thinking about it.
- Then UMM donated money to the Trustees to purchase and install the basketball backboard for our youth. Steve Shreffler has the backboard and we need to install it.
- The Board unanimously thanked the Weimers for their outstanding BBQ.
- Once again, the subject came up of our children and youth using the patio after church. The answer is yes. They play out there but a parent must supervise. The Sunday School teachers are no longer responsible for the safety of the children. Parents must monitor their children!
- We need drivers. You will need a class B driver's license. The office has books to prepare you for the written test. There is also a medical exam sheet that needs to be attached. Then you are ready for the test. Anyone interested please let me know in advance.

## United Methodist Men (& friends) Paint Up A Storm at Camp

Nine members of our church spent Saturday, May 9<sup>th</sup> at Camp Arroyo Grande painting camper cabins #1,2 in place of their regular meeting. Our thanks to John McKeen, Val McClure, Bud Johnson, Mike Thurman, Richard De Bruyn, Don Gugeler, Bob Serby, Dick Melsheimer and our all star lady guest Virginia Mothes. The group enjoyed perfect painting weather and a huge glob of both paint and fellowship. The project overseer was Debbie Tallant wife of the Camp Manager, who helped the group while Steve Tallant was in Santa Barbara fighting fires (Steve is a member of the Arroyo Grande Fire Department). The Camp work day is an annual event of the United Methodist Men. The paint jobs can be viewed during our church service in the Tabernacle at camp on May 31<sup>st</sup>.

The next annual event will be the Annual BBQ to be held at the home of Dick Melsheimer on June 20<sup>th</sup>. Details and sign-up will be available the first week of June.

## JUNE IS MEN'S HEALTH MONTH

By Patti Melsheimer

Did you know that, on average, men are less healthy and have a shorter life expectancy than women? Part of the reason for this health gap is that men don't take care of themselves as well as women do. Men are more likely to engage in unhealthy behavior, and less likely than women to adopt preventive health measures. Men are also less likely to have health insurance, more likely to work in dangerous occupations, and often put off going to the doctor. As a result, men die younger—and in greater numbers—of heart disease, stroke, cancer, diabetes, and many other diseases. In 1920, women outlived men by an average of one year. Today, that difference is more than five years.

Prostate cancer is one of the greatest concerns for men. Prostate cancer is the most common non-skin cancer in America; 1 in 6 men will be diagnosed with prostate cancer. And the older you are, the more likely you are to be diagnosed with it. But the roles of race and family history are important as well. African-American men are 56% more likely to develop prostate cancer compared with Caucasian men, and are nearly 2.5 times as likely to die from the disease. Men with a single relative with a history of prostate cancer are twice as likely to develop the disease. Although genetics might play a role in deciding why one man might be at higher risk than another, social and environmental factors, particularly diet and lifestyle, likely have an effect as well.

The PSA blood test and Digital Rectal Exam (DRE) can be used to detect the presence of prostate cancer when no symptoms are present. They can help catch the disease at an early stage when treatment is thought to be more effective and potentially has fewer side effects. The American Cancer Society recommends that both the PSA and DRE should be offered annually, beginning at age 50, to men who have at least a 10-year life expectancy. Men at high risk, such as African-American men and men with a strong family history of one or more first-degree relatives diagnosed at an early age, should begin testing at age 45. Men at even higher risk, due to multiple first-degree relatives affected at an early age, could begin testing at age 40. Although the PSA and DRE tests cannot diagnose prostate cancer, they can signal the need for a biopsy to examine the prostate cells and determine whether they are cancerous. In some men, changes in urinary or sexual function lead to a full evaluation by the doctor, and, if prostate cancer is suspected, a biopsy will be performed.

There is no "one size fits all" treatment for prostate cancer, so each man must learn as much as he can about various treatment options and, in conjunction with his physicians, make his own decision about what is best for him. Consultation with all three types of prostate cancer specialists — a urologist, a radiation oncologist, and a medical oncologist — will offer the most comprehensive assessment of the available treatments and expected outcomes.

Research in the past few years has shown that diet modification might decrease the chances of developing prostate cancer, reduce the likelihood of having a prostate cancer recurrence, or help slow the progression of the disease. Although it will likely take some time before results of these studies conclusively demonstrate the benefits of nutrition in prostate cancer, there is already good evidence indicating that some dietary changes, such as increasing consumption of fruits and vegetables rich in antioxidants as well as fish rich in omega-3 fatty acids, are beneficial in other chronic diseases, particularly heart disease. Adoption of these dietary changes can therefore be seen as an important step in a path toward a more healthy lifestyle overall. Is it time for you to schedule an exam??

## UMC Church Choir Festival Celebrates 125<sup>th</sup> Anniversary

Nine choirs from Methodist churches throughout the Central Coast gathered for the **Central Coast Cluster Choir Festival** on the first Sunday in May. This event was held at FUMCAG, adding to our churches 125<sup>th</sup> Anniversary Celebration. In addition to individual pieces, the choirs joined in performing two mass pieces. Highlights included a stirring rendition of The Barber of Seville by our organist Don McGuire, and the moving mass anthem "The Power of the Cross" featuring a solo by Heidi Carpenter. The event closed with a moving mass piece, "Holy is He." This was an outstanding event with over 125 choir members lifting their voices in song.

The choir also had a special service on **May 31<sup>st</sup> at the Tabernacle at Camp Arroyo Grande** which featured a special guest. The next Choir event is **Music Sunday on June 7<sup>th</sup>**. This will be a performance of Hal Hopson's "Festival of Hymns". This cantata features familiar hymns followed by readings. Make plans to attend this program, which is another 125<sup>th</sup> Anniversary event.

## Help Wanted - Thinking Outside the Box!

By Jerry Smith

We are told "thinking outside the box" requires a person to be willing to think past accepted concepts and perspectives, to strive for the different. Thinking outside the box means seeking creative ideas. This form of pondering requires practice. Are we thinking in such a way as to seek and explore new ideas, taking chances, moving beyond our personal comfort zone? Never losing sight of the "Big Picture" our existence as a religious foundation for Christians to express their love for God and his son Jesus Christ our savior.

Looking forward do you wish to see more young families attending our church services? We know attracting new members with children is a good way to ensure our future while meeting the spiritual needs of a growing community. There is no doubt our church mission remains focused on offering assistance to the less fortunate and wherever possible becoming more efficient and capable in the service we provide while casting a dependable spiritual net to meet the functional needs of the community seeking help.

Thinking outside the box could trigger your call to action. An impulse that "causes you to think in terms of change and new ideas, helping others and not waiting for someone else to do the work for you. We know how easy it is to become complacent. We must be concerned about the business of our church and the programs that require the congregation to support through active participation.

We in the UMC believe people want to

come to church. But before that happens a "prospective church visitor" might be overcome with apprehension of their being accepted into our church family. Meaning, they may need some gentle nudging, if you will, a steady helping hand from you. Isn't that what being a member of the UMC is all about? A responsibility for each of us to serve and maintain the emotional and physical needs of our church and its congregation". We know that once an outsider enters the open doors to the sanctuary they will discover we are a Christian church family with open hearts practicing what we preach with open minds. Our church evolves on the strength of prayer, presence, gifts, service and witness.

I'm sure some of you have thought about inviting a neighbor or a close friend to accompany you during a Sunday church service. However, once again, you hesitate to ask someone to come with you unless they have shown outright interest and asked to attend church with you.

Think about this, we are the host for frequent band concerts on the weekend and what better time to bring a friend who is not a member of our church and let them feel and experience the comfort and hospitality of the Arroyo Grande UMC. Free to enjoy the relaxation and comfort that music brings to all of us in one satisfying way or another.
