

## TIME WITH PASTOR DAVID

Our "Time With Pastor David" and Goodie Bear (with Ms. Shirley) is back! They will share about this month's Fruit of the Spirit "Kindness." This special time will be on Wednesday, September 26 and Thursday, September 27, in the church narthex, at 9:30AM

### Ms. Kristel and Ms. Rebecca's Pre-K Class

Our school year is off to a great start!! , During the month of August, we had a great time getting to know about each other, learning about our families and how we are the same and different. Thank you to Natalia and Nathan Ng for sharing their Russian culture through books and songs with the class. For the month of September, we will start meeting our "Zoo-Phonics" friends with letters 'A' 'B' and 'C'. We will also focus on the numbers '1' '2' and '3'. The theme that we will be working with, will be "My Senses", "My Neighborhood" and the "Fall Season". We will be discussing the changes that occur in the environment during the Fall season. We will also be learning about harvesting apples and other benefits of the season. Be on the look out for the guessing can! We will start sending it home once a week, along with the guidelines on how to participate in this activity. We are looking forward to a great year. Thanks! -Ms. Rebecca

### Ms. Shirley's Preschool Class

August has been fun as we explored the zoo. We talked about different zoo animals, what they eat, and how they are cared for. From zoo keepers, to cage cleaners, they learned how important every job is at the zoo. Just as important is our daily jobs in the classroom. This is another way for the children to feel appreciated. Each day, during our first circle time, the children get to choose which job they want for that day. For example; "Timer Helper", "Art Helper", and last but not least, "Line Leader". For the month of September, the theme will be "I am special". I will focus on getting to know each child and the uniqueness they bring to our school. I would like my families to write down some family traditions you may have, that may be different from other families. I would like to expose the children to different cultures and traditions. In the month of September, we will also be exploring apples . Measuring, sorting and counting are a few ways we will use them. I will be sending home a little apple bag for your child to bring in an apple to share. The letters 'A', 'B' and 'C' will

be introduced to the children, as well as primary and secondary colors and shapes. Story time with Pastor David and Goodie Bear will also get started this month. They will be talking about kindness. We are looking forward to a great month. Thanks,

-Ms. Shirley

### Ms. April and Ms. Wasinii's Toddlers

This is going to be a great year! In September, our theme will be "I am Special". We will get to know each other better and help the children learn that each one of them is special. In addition to learning each of them is special, we will help the children develop a sense of belonging and significance as part of the group. We wish to welcome Oliver Richards and Patrick Bown to our class. Also, Moxie Balzer, from Toddler Room 1, will be joining us in the classroom on Fridays. With the addition of the new children to the class, we will work on building a strong primary care relationship with each child to provide the sense of security they will need during this time of adjustment. We look forward to getting to know each of our toddler families better. Cheers!

-Miss Wasinii

### Cindy Bo's Young Toddlers

I'm excited about welcoming Lucas Holt and his family to our young toddler classroom this month . Welcome! September will be a time for getting to know each other better, helping the children learn that each one of them is special and helping to develop their sense of belonging and significance as part of the group. For my group of young toddlers, I will continue to focus on providing predictability in their day and helping them to develop a sense of security, by establishing consistent and familiar routines. Building a strong primary care relationship with them will also provide the sense of security that is so important in helping them to learn and grow at this age and stage of development. We will also be exploring apples. I will soon be sending home a little white "Apple Bag" for your child to bring in an apple to share. We will explore their similarities and differences and enjoy tasting them and making applesauce together. It will be a fun month for us all. Blessings always!

Please remember to **DRIVE SLOW** through the parking lot.

The speed limit for everyone's safety is .....  
**5 mph.**

Thank you, Church Trustees
