

Remembering FUMCAG Lay Persons of the Past

This is a 125th Anniversary Project

We need all of you to help us identify the contributions of any/all past members and lay persons associated with this church. We are starting to collect this information now just for people who have since passed away. Please use the simple form below to help us gather this information which we intend to "publish" in an appropriate manner. Please fill out one survey per person, couple, or family as you see fit. If you are filling out a hardcopy version of this survey, please turn it in at the church. Also, if you're working on paper, feel free to write outside the boxes and on the back. Questions may be directed to Jamie Foster, pbjrr@jf2.com. Thank you!

* Lay Person's Name(s)

During what period of time were they active at the church?

* Describe their involvement and contributions to the church.

Your name and contact information should we have questions.
