PRAYER OF CONFESSION

LEADER: Let us pray together:

ALL:

Too often our hearts are cold and without gratitude; Too often our hands are passive and unwilling to carry out acts of mercy. Too often our lips are pursed tightly, unwilling to speak words of love; Too often we are indeed separated and alienated from others, separated and alienated from God. Too often we do not try to see the sense in other culture's experiences. We confess our apathy and lack of gratitude. We confess our unwillingness to get involved with others. We confess our refusal to speak out for shalom, true peace with justice. We confess our separation and alienation. We confess that we need the insights and experiences of others to make sense of our own experiences.

O God, forgive our indifference to Your world's troubles when we concentrate too much upon ourselves. Help us to truly understand that the pain of one of Your children is the pain of us all. So guide us in Your way of love that our world will be filled with shalom! Amen.
