One Great Hour of Sharing is an offering that makes the love of Christ real for individuals and communities around the world who suffer the effects of disaster, conflict, or severe economic hardship, and for those who serve them through gifts of money and time. Today, projects are underway in more than 100 countries, including the United States and Canada. In the 1990s, receipts have exceeded \$20 million annually. While specific allocations differ in each denomination, all use their One Great Hour of Sharing funds to make possible disaster relief, refugee [assistance](#), development aid and more.
