

Annual Harvest Parade

Saturday, September 27, 2025

Arrive by 9:00 am. The parade staging area is located along West Branch St. and Old Ranch Rd., where the two streets intersect, just east of the Public Library.

Where to Park: Two Choices.

1. Enter West Branch St., then turn on Rodeo Drive. *West Branch St. will be a one-way street that morning.*
2. Park somewhere in the village and walk up to our staging area on West Breach St.

Find our Staging Number: See a parade official who will greet you as you enter the area. Look for the Line-up numbers marked in chalk on the roadside to find our designated spot.

Parade Route: The parade concludes at the corner of Mason and Nelson Streets. Entries are to proceed to Mason and Poole Streets before disbanding to not slow down the parade.
